

Warranty Instruction

Material: dassoXTR / dassoCETCH

dassoXTR / dassoCETCH® Certificate of Warranty

1. Scope of the Warranty

1.1

This warranty is limited to the original purchaser of dassoXTR / dassoCETCH® products purchased from Dasso licensor (the "Manufacturer")

1.2 Products covered by the Warranty - the **dassoXTR/dassoCETCH** Products

The Warranty covers all dassoXTR / dassoCETCH® decking, cladding and soffit products (hereinafter referred to as dassoXTR / dassoCETCH® Products). Manufacturer warrants that all dassoXTR/CETCH® decking, cladding and soffit products are produced to the specifications described in the Product Data Sheets issued by dassoXTR / dassoCETCH valid at the time of purchase. These Data Sheets can be downloaded from www.dassogroup.cn

1.3 Damage covered by the Warranty

1.3.1

Subject to the conditions set out herein, Manufacturer warrants that from the date of delivery as stated on the invoice and for a Warranty Period following delivery as defined below, the dassoXTR / dassoCETCH® Products applied in Use Class 4 as defined by EN 350 and EN113 will not be damaged by decay caused by wood decay basidiomycete fungi and the wood destroying fungi Coniophora puteana, Trametes (Coriolus), Pleurotus ostreatus so that the dassoXTR / dassoCETCH® Products do not perform according to their intended function. (As per AS 504(2005) standard, dassoXTR / dassoCETCH® Products Durability is Class 1; As per AS 1604.1 (2012) standard, dassoXTR / dassoCETCH® Products Hazard Class is H3.)

1.3.2

Manufacturer guarantees the construction and gluing of dassoXTR / dassoCETCH Product for warranty years.

1.4 Warranty Period

dassoXTR / dassoCETCH® products: 25 years (residential application) / 10 years (commercial application)

2. Remedy

Manufacturer shall, at its own option, either re-deliver or compensate by cash payment, any dassoXTR / dassoCETCH product affected by damage described as cause for remedy above. Any cash compensation shall be limited to the value of the

original invoice for the purchase.

3. Conditions

This Warranty shall be subject to the following terms and conditions :

3.1

Environmental conditions such as air pollution, mold, mildew, etc., or staining from foreign substances such as dirt, grease, oil, etc. Please note: Should dusts and pollens build up on your products, these become a food source for molds and mildew to grow in and their waste products will stain the dassoXTR / dassoCETCH®. Please keep your products clean as we do not warrant against these types of staining and degrade. Mold and mildew will not grow in/on dassoXTR / dassoCETCH® itself but will in/on the dusts/pollens.

3.2

Claims must be made in writing to Manufacturer within 30 days after discovery of suspected damage, accompanied by this original Certificate of Warranty, copies of the relevant receipt(s), a statement describing the damage and photographs showing the suspected damage. Discovery is defined as the point in time when the suspected damage was discovered, or should have been discovered, by the Owner / Original Purchaser.

3.3

Manufacturer reserves the right to inspect the dassoXTR / dassoCETCH products prior to any authorisation by Manufacturer of any replacement, financial repair or other remedy under this Warranty. From the date a potential claim is detected, the claimant must take all reasonable steps to protect the dassoXTR / dassoCETCH® product from further damage and all reasonable steps to mitigate potential losses caused by the suspected damage

3.4

All warranties are valid on the condition that dassoXTR / dassoCETCH Installation Guidelines, User Maintenance Guidelines, and other dassoXTR / dassoCETCH product documents valid at the time of purchase are observed and followed at the handling, storage, installation and use of the Products. Failure to install dassoXTR / dassoCETCH® Product in accordance with dassoXTR / dassoCETCH instructions will invalidate this Warranty.

3.5

This Warranty does not cover any costs associated with removal of damaged dassoXTR / dassoCETCH® products or installation of replacement dassoXTR / dassoCETCH® products or any remanufacturing costs.

3.6 A claim does not lead to an extension of the warranty period.

3.6

Failure to follow these procedures may invalidate any claim under this Warranty.

4. Exclusions

4.1

Manufacturer is not liable for any incidental, economic, exemplary, special, punitive or consequential damage, whether direct or indirect, howsoever arising.

4.2

The statements in this Warranty constitute the only warranties given by Manufacturer , and all other express or implied warranties, including any implied warranties of merchantability or fitness or a particular purpose (save where arising under applicable product warranty laws that cannot be lawfully disclaimed) are expressly excluded.

4.3

Damage or defects resulting from or in any way attributable to the causes listed below is not covered by the Warranty:

- a) Improper storage, handling, installation or use of the dassoXTR / dassoCETCH® Product, including but not limited to any damage where good design and installation practices have not been followed;
- b) Misuse, neglect, alteration or abuse of the dassoXTR / dassoCETCH® Product;
- c) Settlement or structural movement and/or movement of materials to which the dassoXTR / dassoCETCH® Product is attached;
- d) Damage from incorrect design of any structure or where the maximum designed wind loads are exceeded for any structure;
- e) Acts of God, such as inter alia hurricane, tornado, hail, earthquake, flood or other severe weather or natural phenomena;
- f) Any cause other than manufacturing defects attributable to dassoXTR / dassoCETCH .
- g) dassoXTR / dassoCETCH board is a natural forest product, which can vary in color, grain and appearance. Color can change over time depending on the maintenance schedule. Color change can not be a reason to make a claim.
- h) Small cracks on the surface and on the end of the boards can arise from the different drying characteristics of the surface and cross cut ends. This phenomenon is normal for most wood species and can not be a reason to make a claim.

i) The surface sides of the boards can get rougher and even splinter over time as a result of constant shrink and swell of the boards due to dry and wet climate periods. This phenomenon is normal for most wood species and can not be a reason to make a claim.

j) Slight dimensional change or cupping of the boards can occur after installation. This phenomenon is normal for most wood species and can not be a reason to make a claim.

4.4 The guarantee applies only to the original purchaser and can not be transferred.
